The Dally Press of Memphis.

The laws of the United States, governing the amesament and collection of laxes on the gross receipts of manufacturers, require that hey should be sworn to. In accordance with this law, the morning daily press of the city of Momphis smade the following returns, ment should be summary and severe showing the amount of their respective sales. For this the bill just passed provides or the quarter ending the 30th of Sepember, and we profoundly thank the Congr

For the quarter ending December 31, 1970, the APPEAL's returns will be

\$11,94249, The above speaks to advertisers and the

vablic generally leader than words.

MONDAY MORNING, : : : MARCH 6, 1871 not be necessary for us to advertise, appears a statement which is otterly faire, as showing its present circulation. We advertise the public of that falseshood, which it has the brazen audacity to congood results. Not many year

THE HAYNAU of Tennessee, after reposing a few days, is again effervescing. His catarrh is in full eruption, and, of course, his nasal membrane and plantation supplies. The Mobile and Ohio and Mississippi Central roads have inverted the natural order than usual. The next time his master unchains and sets him upon us, we suggest that he change his bark. We suggest that he change his cark.

That old editorial is as flat as an uncorked bottle of ginger-pop. In countain Memphis tradesmen. They are try printing offices they have a robbed not only of money, but of the column or two of "standing matter," right to select for themselves a place of trade. Pontotoc county used to made up of old prospectuses and patsend us annually from five to ten ent medicines, which are occasionally thousand cotton bales, and not a bale published to save labor and to annoy is now suffered to leave the Mobile sucolic subscribers. The Tennessee and Ohio road at Corinth. We have Haynau has adopted this system of la-bor-saving; for, when he is ordered to put in, he rushes up and belabors the APPEAL with his stereotyped plate of stale epithets. But he no longer calls us a woman. We object to this single by the Mobile and Ohio road. We change of tactics. We are proud of know the difference of cost between a the appellation; for the devotion of woman to the Confederate cause has sanctified it with historic grandeur.

barrel of Bour or cask of bacon brought by water to Memphis, and of one brought to New Orleans and then to Mobile, and thence over the Mobile Her faith never wavered; and, when and Ohio road to this place. We have imprisoned, her moans in the dungeon for the cause her heart loved so well was like the wail of the broken harp. She was oppressed by military despotism, and, when betrayed by pimps, spice and informers, she clung to her trust with a sublime faith, and of a collision that it does not run, and the sublime faith, and of a collision that it does not run, and the sublime faith, and of a collision that it does not run, and the sublime faith, and of a collision that it does not run, and the sublime faith, and of a collision that it does not run, and the sublime faith, and of a collision that it does not run, and the sublime faith, and the sublime faith and the well was like the wail of the broken now she lives to scorn the cowardly I am told, a train to Corinth on the skulker, who, instead of shouldering a musket, remained at home to be ray wronged and plundered like yourand persecute the delenseless, the no- selves, that the present managers of ble and the true.

IN MR. VOORHEEN speech of the 15th, though he does not praise the stroys the value of our property by President much for his literary, depriving the products of our indusscientific or statesman-like attain- try of value, and in relieving us, you ments, he does say he thinks it next

A preacher of this city pronounced to impossible that a man should have
a practical and wise discourse in bements, he does may be thinks it next climbed up to so great a hight with- half of an Industrial Home for Widout at least being master of the art of war. We have never dared to doubt only to the rich cotton and grain Gen. Grant's capacity for great things fields of eastern Mississippl but to the MEMPHIS WATER CO. generally since he made his profound richer iron and plue and coal fields of and luminous remark to the railroad Alabama, and then not only will our engineers, that "without the aid of railroads the interior of so vast a country as we have could be made of very little use." There, now, who doubts he is count to the railroad to the Mississippi.

T. W. BROWN, doubts he is equal to the learned farmer who said "the way to have The Peace Celebration in Berlin, meat in abundance is to take care of young pigs?"

FORNEY's Chronicle's deeply moved for our "bald eagle," and in his behalf kicks the bucket of ideas as to rotation in office right over. Thus its mathetic learners to We still think the property of the most peopler remedy with physical property of the most people property of the physical property of the property capitulated, Berlin would blaze with illumination and laugh with rejoicing, but if such was the attempt, it proved a miserable failure. The official report of the surrender is said to have reached Berlin Saturday noon (January 28), but was not promulgated until nearly midnight. The object of the gave up his nomination to Congress, from a district in which he was sure of a re-election, to fight a Congress, from a district in which he was sure of a re-election, to fight a fierre and doubtful battle for Governor against a powerful and unscruptions combination. Betrayed, cheated, in the face of defeat made sure by organized fraud, he straggled bravely on to the disastrous end. He goes out of Congress without business, without law practice, without present chance of success at his own home. He deserves, if any man ever did, the help of a public position, at least for a time, until he can re-establish himself," Poor fellow! Can't he be sent to San Domingo or made Governor of Idaho?

It is a remarkable and significant fact that a matter of such importance as the Enforcement Act should pass that the process as the Enforcement Act should pass the process as the Enforcement Act should pass the process of the process of success as the Enforcement Act should pass the Enforcement Act s

It is a remarkable and significant fact that a matter of such importance fact the Enforcement Act should pass as the Enforcement Act should pass that when the end came they could without debate on the part of Republock. But the other, and problicans, as if the policy was so plainly ably more important reason is, there right as to require no debate. The measure is of so great importance in the minds of the Republicans them. the minds of the Bepublicans them- friends sacrificed whose places can selves as to be vital to the last degree. never be refilled. This the Washington Chronicle admits and insists. And yet it was not delieve that when the end comes and B bated on the part of the Republicans,
They sat mute without a pretense of reason offered by them why it should pass, and, as the Chronicle itself says,
"without change of a syllable, by a terially the substance of France; the reason of the paties and foreign. strict party vote." Was ever an hon- very dregs of the nation and foreign est measure of importance passed in this manner by any but a Republican Gravelotte, Sedan and Metz. On the Congress? The revolutionists are as contrary, at these places the very lifechary of giving reasons as a dogma-tist, a martinet or a lying witness, and in this they were prodent. They and in this they were prudent. They mercial and mechanical vitality were had no reasons for the blow they sacrificed; its soul actually bled. Her which they dare to give. They "sat in damb good nature, attending to their correspondence or passing to and fro, not even listening at all while the orators delivered them. phans and mothers." selves," says the Chronicle, And thus they passed upon the great question of controling the ballot by the better known than the thousands sword! Our fathers depended on the virtuous and titled women who passed cause they say now the people are no more to be trusted. It has become necessary at an expense of millions to have a horde of officials and an army for every State to protect a Republican people themselves at their own ballot box! Is there any more democratical management of the market of the description of the multitude as that of the Princess Alexandra herself, at the courthouse of the Second Chancery Court of Shelby country. In the caty of Memphis, Tenn., on or before the shop windows claimed precedence of that of the bishop of Oxford. She had a dozen peers in her train; at one time was engaged to marry the heir of one of England's oldest dukedoms, and numbered the naughty Prince of Wales among her admits the real estate of the definition. It is therefore ordered. That he make his appearance berein, at the courthouse of the Second Chancery Court of Shelby country. In the city of Memphis, Tenn., on or before the bishop of Oxford. She had a dozen peers in her train; at one time of the bishop of oxford. She had a dozen peers in her train; at one time of the definition of the make his appearance berein, at the cauthouse of the Second Chancery Court of Shelby country. In the city of Memphis, Tenn., on or before the she of the devent of the devent of the devent of the princes of the make his appearance berein, at the cauthouse of the Second Chancery Court of Shelby country. In the city of Memphis, Tenn., on or before the she of the down of the prince of the down of the princes of the down of the princes of the stant of the princes of the princ virtue of the people as the foundation for Republican institutions. But the purposes depend on the laws as attractive to the multitude as approximately as a subject to the multitude as a subject to the mu can people themselves at their own ballot box! Is there any more democracy, majority rule, freedom of the racy, majority rule, freedom of the

Wales among her admirers. For three any more democracy, majority mile, freedom of the ballot, when "the most vigorous measures" are needed to coeree the people? Thus the Caronicle says:

The bill itself is right. Its provisions are stringent, became the evid of fraud at elections can be reached only by the most thorough and vigorous makes a crime every species of fraud, or attempt at fraud, in rejistration or voting; all attempt to prevent or his, deer elections from voting by force therest; indimidation, bribary, reward, or offer of reward; all interference with officers of election; all failures in duty, or violations of law by officers of election; all failures in duty, or violations of law by officers of election; all failures in duty, or violations of law by officers of election, all failures in duty, or violations of law by officers of election; all failures in duty, or violations of law by officers of election; all failures in duty, or violations of law by officers of election; all failures in duty, or violations of law by officers of election; all failures in duty, or violation of law by officers of election; all failures in duty, or violations of law by officers of election; all failures in duty, or violations of law by officers of election; all failures in duty, or violation of law by officers of election; all failures in duty, or violation of law by officers of election; all failures in duty, or violation of law by officers of election; all failures in duty, or violation of law by officers of election; all failures in duty, or violation of law by officers of election; all failures in duty, or violation of law by officers of election; all failures in duty, or violation of law by officers of election; all failures in duty, or violation of law by officers of election; all failures in duty, or violation of law by officers of election; all failures in duty, or violation of law by officers of election; all failures in duty, or violation of law by officers of election; all failures in duty, or violation of

whether in regulation, election, or counting and returns of votes.

The fundamental and most sacred right of a free people is the honest exercise of the ballot. He who deters or defrauds the people, or in any way irrustrates the fair expression of the people's choice by ballot, commits the most flagrant and the deadliest crime against society. His punish-

of the United States for it. COTTON.

The Area of Memphis Trade Narrowed-Agencies that Bigat the Galamity.

A bale of cotton was shipped January 25th, by Smith & Salkett, from Goodman, on the Mississippi Central road, to Risk & Johnson, of this city. DEFICIAL JOURNAL OF THE CITY. It had not reached its destination yeserday morning. The shippers are omewhat anxious about it, and merhants of this city are so accustomed o incidents of this character that they ATTHE head of the columns of a paper forget incalculable losses to which cristed on Jefferson street, which it will they are subjected by the managers of the columns of the paper in the paper incalculable losses to which

bruss at the head of its columns for the purpose of peruniary profit and the procursment of advertising patronage by decursing the realist.
